

100 for Good

How to Get Involved

100 for Good is turning caring into doing and building on our legacy of community engagement for the century ahead.

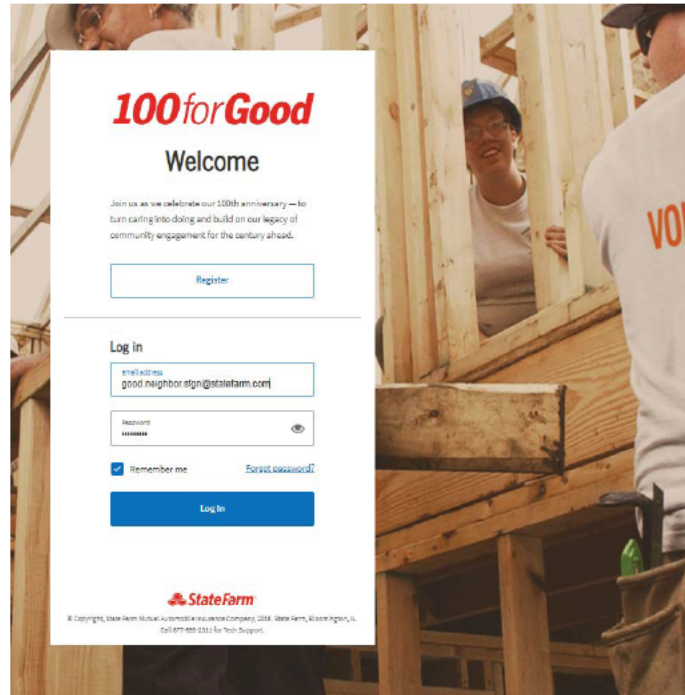

What is 100 for Good?

Part of Neighborhood of Good, *100 for Good* is a community challenge for agents and employees across the company. We are all encouraged to perform 100 Acts of Good to better our communities as we lead-up to our 100th anniversary in 2022.

How to Register

Register and log your Acts of Good @

<https://100forgood.statefarm.com>

Remember:

This is a marathon, not a sprint. It starts with one **Good Neighbor** who cares enough to act.

What is an Act?

Acts of Good are purposeful and meaningful activities to help your neighbors and improve your communities. Every time you donate time, goods, and/or money – you can record that Act.
